EXPLANATION

12 The inclusion of this explanation does not constitute agreement with
 13 the explanation's substance by the members of the general assembly.

14 This bill requires that county supervisors, auditors,
 15 sheriffs, treasurers, recorders, and attorneys be nominated and
 16 elected on a nonpartisan basis. The bill establishes a county
 17 primary election for the nomination of nonpartisan county
 18 officers to the general election ballot. The county primary
 19 election is required to be administered concurrently with the
 20 primary election, as provided for in the bill. Under the bill,
 21 the number of candidates to be nominated at the county primary
 22 election is required to be twice the number of officers to
 23 be elected to a particular office at the general election.
 24 The candidates receiving the greatest number of votes in the
 25 county primary election are nominated and entitled to have the
 26 candidate's name printed on the official ballot to be voted for
 27 at the general election, as provided for under the bill.

28 Under the bill, nonpartisan candidates for county office
 29 and other nonpartisan candidates are extended the same rights
 30 to observe elections conduct that are provided to nonpartisan
 31 candidates for city and school district office under current
 32 law. The bill also makes corresponding changes, and maintains
 33 current law related to the conduct of partisan elections for
 34 special charter cities.
